The bride's sister, Mrs. Charlie Spero, of Martinsburg, W. Va., was her matron of honor, and another sister, Miss Virgie Woods, of Ivy and New York City, attended her as maid.

The bridesmaids were: Miss Glenn, of New York City; Miss G. M. Glenn, Miss Nancy Lee, of Bloomfield, Albemarle county and Philadelphia; Miss Nannie Woods, sister of the bride, and Miss Mary Page Coffman, of Ivy.

Their costumes were white lingerie dresses and white lingerie hats tied with green, the color scheme of the wedding being white and green.

STATE CORONERS WILL MEET HERE

Virginia Association to Be Organized and By-Laws Adopted on September 21.

Virginia coroners are requested by a committee of arrangements to assemble in Richmond on September 21 for the purpose of organizing a Virginia Coroners' Association. The meeting is scheduled for 3 P. M. on that day, and it is the intention to close the first annual session on the afternoon of the next day. The meetings will be held at Murphy's Hotel.

The local committee having the arrangements for the meeting in charge is composed of Dr. William H. Taylor, coroner of the city of Richmond; Dr. Gilbert G. Leach, of Petersburg; Dr. John W. Brodnax, coroner of Manchester, and Dr. W. A. Deas, of Henrico.

Attention has been called to the fact that according to the records, only about forty of the 100 coroners in the State have regularly appointed coroners, and that the same condition applies to only two-thirds of the cities. Any regularly licensed physician residing in the city or county may be appointed to this office by the Circuit or Corporation Court judge, in term or in vacation.

Program of Meeting. Dr. William H. Taylor, of this city, will call the coroners to order and will explain the object of the conference. Officers will then be elected for one year, as follows: President, first vice-president, second vice-president, third vice-president, secretary, treasurer, executive committee, constitution and by-laws committee, membership committee, and legislative committee. No evening session will be held on September 21.

At the morning session the next day the program will include the following addresses:

"The Coroner," Dr. William H. Taylor, of Richmond.

"The Proper Cases for the Coroner's Office," Dr. John W. Brodnax, of Manchester.

"The Country Coroner," Dr. E. P. Turner, coroner of Isle of Wight county, Elizabeth City, Va.

"The Injustice of Present Laws Toward Coroners, and the Proper Changes to Be Made," Dr. E. H. Lewis, coroner of Culpeper county, Culpeper, Va.

WILL CELEBRATE ROSH HASHANAH

Beth Ahabah Synagogue Plans to Observe Sacred Days of Jewish Church.

September witnesses the advent of the most sacred season of the Jewish Church. The two great holy days of the synagogue, the New Year and the Day of Atonement, fall respectively on the 16th and 25th of this month. The period within which they occur is known as the "ten days of penitence," and while only the two days mentioned are observed with special service, the whole period is given over to serious and earnest reflection upon life and conduct and duty by all Jews.

The New Year, known in Hebrew as Rosh Hashanah, falls on the first day of the seventh month of the Hebrew calendar. It coincides with the passing of the summer season, the ingathering of the harvests and the beginning of a new year of effort on the part of man and nature. This day is carefully observed by the Jewish people. The stores of Jewish merchants will all be closed, and special services will be held in the synagogues, beginning as usual with a service on the evening previous.

At Beth Ahabah the services will be held on Wednesday evening, beginning at 8 o'clock, and on Thursday morning, beginning at 10. Dr. E. N. Calisch will conduct the services and preach at both, his subject for the evening service being "The Value of Contemplation." On Thursday morning he will preach on "The Religion of the Twentieth Century," being in the nature of a commentary on Dr. Eliot's recently announced "New Religion."

The Day of Atonement, in Hebrew, "Yom Kippur," is a solemn day of prayer and fasting. It is a day devoted to meditation and introspection, to confession and penitence for sin. The service on the day is one of a particularly impressive and earnest nature, and is intended to be an incentive toward purification and embodiment of character. Service will be held on Friday evening and all of Saturday, beginning at 10 in the morning and continuing till 8 in the evening. Dr. Calisch will conduct the service and will preach in the evening and during the day.

The music at the services of both seasons is of an especially beautiful nature, and the regular choir of Beth Ahabah will be reinforced by a specially trained choir of volunteers, numbering about twenty-five, under the direction of Moses May, who is in charge of the choir.

LOWER COURT REVERSED

Railroad Case Decided by Supreme Court at Staunton.

The Supreme Court of Appeals, sitting at Staunton, handed down yesterday a decision in the case of the Baltimore and Ohio Railroad Company against the Commonwealth, appealed from the State Corporation Commission. The original decision in the case was made about two years ago, and involves transportation facilities in the town of Harrisonburg. The Supreme Court yesterday reversed this judgment.

An appeal was granted to the Danville and Western Railway Company against the Commonwealth, also a Corporation Commission case. In this case, which will probably be matured in time to be heard at the November term of the Supreme Court in Richmond, the railroad was ordered by the commission to remove certain houses erected on its right of way in the town of Stuart, in Patrick county. The commission held that a public service corporation had no right to condemn private property for public purposes and then convert it again into private purposes.
